What you say about the possibility of overturning gender hierarchy, of men being at the receiving end of the [female] gaze, as tantalising as it may seem, overlooks the fact that objectification of women is no longer directly male-driven. But the researchers also utilized The Skinner Family History behavioral reaction time tests to assess the participants more automatic and unconscious responses to the suspects. Should the government write laws on not offending individuals, or should individuals learn how to defend themselves. Dormammu voice.
