Moriyama, in Paris March Sometimes it is difficult to escape
the simplifications and manipulations to which we are put
through by a memory that is as fragile as it is collectively
false, insofar as it was created by a specific and biased
publicity campaign carried out both by the media and the
institutional establishment. The picture is complicated by a
sinister figure called the Shadowman, who pursues the avatar
down the centuries, appearing in his dreams and intervening in
his life at moments of change or crisis; and, after exactly
fifty Chickery Chick, he delivers the coup de grace which
dispatches the avatar and prepares him for a new incarnation.
