Anti-Arab Racism in the USA: Where it Comes From and What it Means for Politics Today

Of which no example has come down to our day, but we may gather what they were like from Petrarch's description of his house on the Riva degli Schiavoni, with its two flanking towers, probably retaining the primitive form, and also from the representations of protecting towers which occur in Carpaccio's pictures. The recipes - many of them never before documented - are the treasures garnered by the author during almost fifteen years of traveling around the world, tasting, watching, collecting recipes, talking to cooks and food sellers, and gathering the stories that spice this remarkable book.
