The research also provides an insightful framework to explore how needless complexity may be harming public perception at larger scales, such as the perception of academic journals and disciplines. Hi Rayner, I have been following your website slowly, silently and patiently. So how does it work. The work is a well-illustrated account of the expedition, the sledge and boat journeys, scientific activities, the death of Hall on the expedition, with an extended review of his work, the attempted voyage south, drift of the ice-floe party to the Labrador coast, and the rescue of both parties and the subsequent inquiry.
