BacktobroccoliButwhataboutapples. It may be that the rick-burning of the labourers is still seen as a primitive response in the sense that they were behaving instinctively rather than selecting from a variety of options open to them, for their options were indeed very limited, but their conduct would still be open to defence as an intelligible, even intelligent, resort to the means that were available and one not entirely unproductive of success. Inizia il consiglio dei demoni nel pandemonio. Mass cultural appeal gives way to the long tail of niche commerce; one-way channels of communication and influence become algorithmic feedback loops based around the harvesting of personal data; the growth of immaterial labour expands the reification of previously unmarketable activates into profitable goods and services.
